

Touch-A-Truck is coming, and we need your help!

Touch-A-Truck will be **Saturday, April 26, 2025, from 9:00 AM to 2:00 PM at Muskogee Civic Center.** Touch-A-Truck allows children of all ages to explore their favorite vehicles like fire engines, garbage trucks, and more. Children get to meet the everyday heroes of our city who operate the trucks and learn more about their vital work. Touch-A-Truck raises funds for the Muskogee Public Library's youth summer reading program, which is made possible by the library's major sponsor the City of Muskogee. The library also uses the proceeds to fund other youth department programs and purchase books for Muskogee area children.

Your sponsorship helps underwrite the expenses of this unique event, including liability insurance, signage, promotional efforts, and other costs. To ensure that Touch-A-Truck is accessible to people of all income levels, the admission fee for entry is only \$2.00 per person. However, no child under the age of 12 will be denied admission. Your contribution helps make this event accessible to all families and supports the Muskogee Public Library youth services department.

Levels of sponsorship:

Platinum \$500.00 or more

Gold \$300.00—499.00

Silver \$200.00—299.00

Bronze \$100.00—199.00

Contributor \$1—99.00

In recognition of your sponsorship, you will receive:

- Sponsorship acknowledgment in the main lobby of the Muskogee Public Library.
- Recognition on social media, as well as on-site signage. Sponsors who contribute \$500.00 or more (cash or in-kind) can include their logo.
- Sponsors who contribute \$75.00 or more will have the opportunity to have a table at the event to distribute community information.

We also need exhibitors to bring vehicles and serve as "tour guides" of their vehicles during the event. We need construction equipment, concrete trucks, ATVs, race cars, rock crawlers, or anything unusual that kids would enjoy. Touch-A-Truck's success depends on vehicles, so your sponsorship in that area is greatly appreciated.

Please complete the enclosed sponsorship & vehicle registration form to support this event. Please share the save the date reminder with your employees. You may also register vehicles online at: <https://eols.org/touch-a-truck/> We would love to discuss any other ways your organization would like to be involved in the Touch-A-Truck event. Please call the library at 918-682-6657 and ask for Jennifer Fuller.

Sincerely,
The Touch-A-Truck committee
